

Corporate Office Internship opportunity at The Fruit Farm Group (Belgium)

The Fruit Farm Group is an international producer and exporter of fresh fruits. We grow the most desirable fruit varieties, and serve a global customer base.

In our farms, we implement regenerative agriculture practices, striving to work with healthy and living soils. Our mission is to produce the healthiest food that nature can grow, deliver a positive impact on our environment, and inspire change across the whole food industry.

We are always on the lookout for motivated individuals and make place for internship opportunities.

There is an opportunity for a dynamic intern to join our strategic team at head-office in Sint-Katelijne-Waver (Belgium).

Roles & Responsibilities:

Depending on your skills, you will assist the strategic team at Corporate Office in various workstreams:

- market and operational data analyses
- financial analyses, planning and reporting
- processes mapping and streamlining across the group
- marketing/sales initiatives to support
- internal & external Communication Strategy definition and implementation

You will directly be exposed to the Executive Management of an International Company. You will report to a member of the strategic team.

Skills, Qualifications & Attitude

We are looking for a team player, confident and happy to work hard to accomplish a purposeful goal. The below skills are also expected:

- Entrepreneurial and hands-on attitude
- Rigorous and reliable, with strong will to learn
- Interest in the wider agribusiness and in themes such as sustainability, resource efficiency, regenerative or circular business models
- Excellent communication and interpersonal skills
- Strong language skills, in particular English, Dutch and/or French
