

Call for Applications: Business Controller

July 2018

We are looking for an experienced and highly driven Business Controller, sharing our enthusiasm for our mission: to produce the healthiest food that nature can grow, deliver a positive impact on our environment and inspire change across the whole food industry.

Features:

Job type: Permanent, full-time,

Salary: Competitive

Location: Sint-Katelijne-Waver, Belgium

Roles & Responsibilities:

The Business Controller will work closely with the Group Business Controller, to assist in the systematic development of controlling practices. This includes ensuring reporting from the business units is accurate and complete, regularly carrying out analysis on the results of the operations and producing accurate and complete results reports for the Group Board of Directors. He/ She will have the following responsibilities:

- Assisting in all Group controlling efforts, as well as financial reporting and consolidation of the operations
- Assisting in forecasting, budgeting, and auditing processes
- Implementing new controlling processes and reporting frameworks
- Assisting with strategic decision making and supporting analysis
- Performing ad hoc analyses as requested
- Producing presentations and reports to the leadership team
- Working closely with operations, strategy teams, and business unit financial directors

The Business Controller is expected to travel to the business unit locations on a regular basis (approx. 25% of working time) and will report directly to the CFO.

Skills, Qualifications & Attitude

We are looking for a team player, confident and happy to work hard to accomplish a purposeful goal. The following skills are the most important:

- Educated to degree level, preferably with a focus on Finance and Accounting
- Minimum of 5 years experience in finance and controlling, of which at least 3 in external auditing
- Good knowledge of IFRS
- Great analytical and presentation skills
- Good people and interpersonal skills
- Fluent in English. Knowledge of Spanish and Portuguese is a plus
- Strong attention to detail and comfortable with the bigger picture and strategic decision support
- Food Production or Agricultural industry experience desirable
- Comfortable travelling globally.
- Interest in themes such as sustainability, resource efficient, regenerative or circular business models
- Accounting qualifications (ACA, ACCA, CIMA) are a plus

About The Fruit Farm Group
